**Subject:** RE: call re drug lab transfer

Hi Donna:

Can we reschedule this meeting for when Steve is available, but before Julie's return? There is some pressure from EOPS to address this issue ASAP now that the transfer date is 3 weeks away! Grace and I will be around for the next few weeks.

Thanks,  
Linda

Steve is not here and might be out again today. I think we should schedule a time when Julie is back. We won't be meeting with EOPS until after the conference budget comes out which will probably not be until late June.

Donna,

I am here all day tomorrow and am available before 11:30 on Wednesday. We then have meetings with the staff, unions etc. I need to leave promptly at 3 PM for the airport. I will be back at work on June 20, 2012.

Thanks, Julie
